PMI Pune chapter invites articles for Paper presentation competition. The selected papers will be awarded during the OnTarget 2012 conference and published in the OnTarget 2012 Conference Souvenir. The winner will receive FREE registration for the conference.

Papers (in English) should be submitted as a PDF file or Word attachment by email to **corporate@pmipunechapter.org** by **30th Jan 2012.** Include "PMI Paper Competition-" followed by the Topic on the subject line of the email. The paper should include the following: The Title of the Paper, name & organizational affiliation of the author(s) on title page along with one page abstract, 50-80 words write-up about the author along with 1 photograph (150x150 pixels). Article (Text font - Tahoma-9) should not be less than 5000 and should not exceed 8000 words. Submissions should represent original work. The chapter will acknowledge receipt of article submission by email. Notification of selected papers will be done by 1st week of Feb 2012.

Earn 5 PDU's for writing the paper. The copyrights of the papers will stay with the author(s). Click here for more details.

The chapter will evaluate the submitted papers based on the following criteria:

1. Quality of hypothesis.
2. Data presentation.
3. Practical Implacability.
4. Use of figures/ statistics.
5. Aesthetics.
